# 4THOUGHTS AND AFTERTHOUGHTS

## THE EDITORS WRITE:

Dear Readers:

In 4MOST we try to give you, the readers, stories that are jam-packed with action. You tell us that you want healthy, wholesome and interesting stories. From what you write in your letters we know we have given you this. We shall continue to do so, but we want to hear your likes and dislikes, your ideas on how 4MOST should be presented to you. Please us by writing and we shall please you by fulfilling your wishes.

Hope you enjoy this September-October issue of 4MOST and don't forget to read the Questions and Answers at the bottom of the pages. Join the thousands who find them exciting as well as educational.

Cordially yours,  
The Editors.

## THE READERS WRITE:

Dear Editors:

I have just finished reading your winter issue of 4MOST.

You asked our (the reader's) opinion of your new strip. My opinion of "Grover and Bonnie" is that they are the *best* you have ever put in your book. I enjoyed it very much.

But best of all I like "Dick Cole." Why, because I like football and Dick is always playing football. He also has a nice girl. She sticks with him always. But to get back to your question. Please keep "Grover and Bonnie" in your comic book. They are the best yet.

Respectfully,

Frank J. Dutra, U.S.N.  
New York, N. Y.

\* \* \*

Dear Editors:

I think that the 4MOST comic book is the best of all the comics I have read, though I regret to say it's only the old copies I can manage to get in England, and I envy the American children who are able to get all the new issues. But it doesn't matter really, old copies are better than none, aren't they?

And please, if you don't mind, could you find me a boy pen-friend from your readers. I promise faithfully to answer all letters promptly. I am 13 years old. If you haven't a boy's name, please send a girl's.

Thank you so much.

Yours truly,

Miss J. Curbishley  
56 Willow Grove  
Plaistow, London

Dear Editors:

I have just finished reading the March-April issue of 4MOST, and I really think it's wonderful.

My favorites are "Dick Cole," "The Cadet" and "Candid Charlie."

I enjoy the "Questions and Answers" very much. Why not have a whole page of "Q's and A's?"

Yours truly,

Charlotte Arnold  
Mitchell, Ind.

\* \* \*

Dear Editors:

I think 4MOST is getting worse every time. Don't you think it would be better if Dick Cole met a nice girl and talked about something else besides sports?

The only story I like is "Lem the Grem." It is very amusing and I think everyone agrees with me.

Yours truly,

Eleanor Tocco  
Detroit, Mich.

*Our readers agree that "Lem the Grem" is amusing, Eleanor, but Frank J. Dutra seems to like Dick Cole and Laura the way they are.*

\* \* \*

Dear Editors:

Lem the Grem is swell. He tries to help people but gets them into trouble. But he gets them out. Please keep him in 4MOST.

I also like "Dick Cole" and "Edison Bell." I think "The Cadet" featuring Kit Carter is o.k., too.

You have a wonderful comic. Please publish it monthly. Keep up the good work.

A 4MOST reader,  
Terry Grider  
Washington, Ind.

# Fear Scent

I HAD heard some mighty tall tales about the North Woods. But I didn't believe them until after I made that trip myself across the wilderness. My guide was a wizened little French Canadian called Remi.

"You uncle, he be plenty mad I fetch you, no?" Remi scowled when I hired him.

"Nonsense," I replied. "He'll be glad to get these cartridges he left behind."

But Remi was right. My uncle had flatly refused to take a greenhorn kid like me on the hunting trip. The forgotten cartridges were only my excuse for following him.

"I'm not a greenhorn now, am I?" I boasted, tramping along behind my guide. As if

to answer my question, a distant howl broke the stillness of the woods. An answering howl echoed down the valley.

Timber wolves! The woods were full of them. I stopped in my tracks. I could almost hear my heart pounding.

"Stop it!" growled Remi.

"Stop what?" I demanded.

"Stop reeking with it. Do you want that every wolf in Canada fly at our throats?"

I couldn't imagine what Remi was driving at.

"Fear scent," he continued, narrowing his beady eyes. "It brings wolves like lightning. I will not risk my life with fear scent dogging after me."

My fear really made Remi angry. It was ridiculous, I argued, to believe that a fright-

ened person gives off a peculiar scent which wild animals instantly recognize. But I didn't convince Remi. I had to bribe him before he would take me any farther.

"So you followed us, eh?" my uncle grumbled. "Well, you shan't help us bag the White Ghost. She has fangs as long as your nose, and twice the brains you have. Now get a hot meal ready for us when we bring back her pelt."

"Don't tell me *you* believe that superstition about fear scent!" I exclaimed. My uncle scowled.

"We're out to kill a wolf, not to invite her at our throats."

Fear scent or not, I intended to follow. I did so at a safe distance, after the hunting

party left. But when we reached the rocky crags, I ducked into a cave a moment to keep out of sight.

Several shots rang out. They had sighted the White Ghost, I figured. I was about to emerge when I heard a plaintive whimpering sound. I felt around in the darkness. My hand touched something warm and alive. One, two, three—I counted the small, furry bodies. I felt their faces, noses, ears. Whelps! Whelps of a timber wolf!

They nuzzled close to my hand, glad for its warmth. I could have choked them easily with two fingers. But they didn't fear me, blind and helpless though they were. So I found myself stroking them instead.

Each time a shot rang out, they trembled. And I pitied them. For that shot meant starvation for all of them if it

hit its mark. The men's voices grew fainter. They had missed, I decided, and I was glad.

I started to crawl toward the entrance. Suddenly a shadow appeared in that narrow opening—a huge, white shadow. Long fangs glistened when the head lifted and the sensitive nostrils caught my scent. The whelps whined behind me. The shadow snarled, then crept closer. Now I knew it was the White Ghost, for white wolves are exceedingly rare.

I should have been deathly afraid. To my own astonishment, however, I wasn't. For some preposterous reason, I felt sorry for the White Ghost. She had just escaped crafty human enemies, intent on killing her. Her wit and courage had earned her the right to live.

I began talking to the she-wolf as I would talk to a dog:

"Let me pass, Lady. We're both in a tight spot. I'll not shoot you if you don't harm me. Let's leave ~~each other~~ in peace. What do you say?"

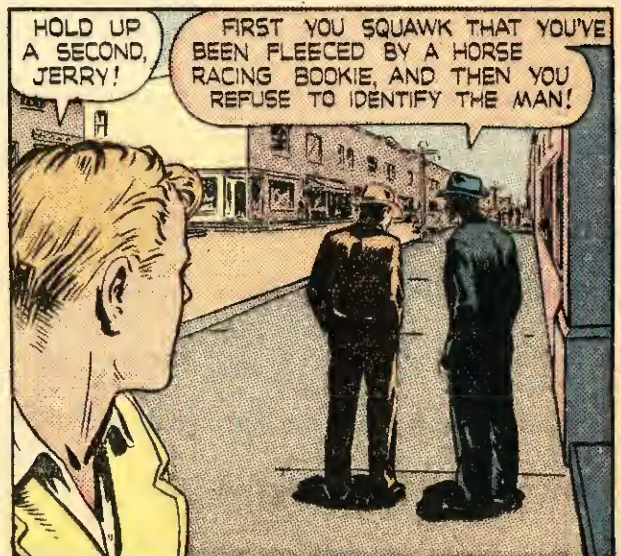

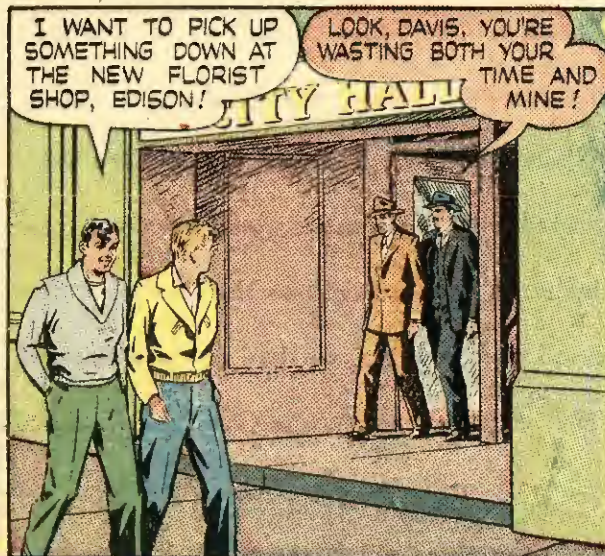

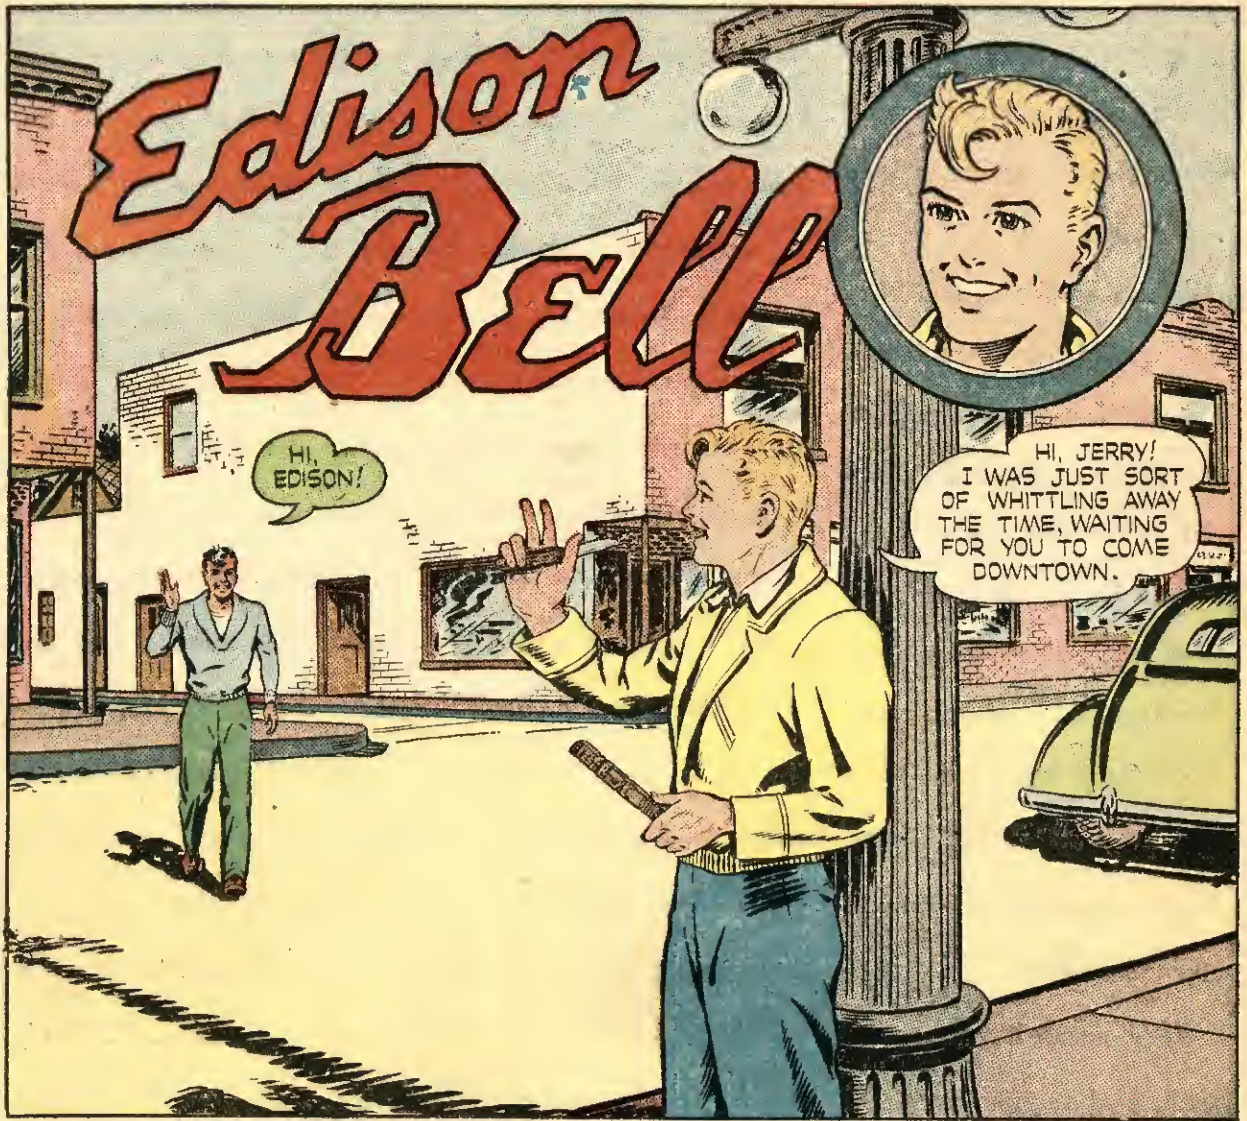

Slowly, steadily, I edged along one wall of the cave. Slowly, the Ghost crept along the other. When we passed, I could have reached out and touched her. Not for one instant did I let myself be afraid. If I had, I am convinced I would not be alive today.

"Who knows?" my uncle chuckled at supper. "Nobody has ever seen the White Ghost close enough to be sure she's real. Maybe she is a ghost!"

I didn't reply. One word from me would have sent them straight to the she-wolf's den. But we had made a bargain, the White Ghost and I. I had let her live. And she had taught me not to be afraid.

# BOITRAM THE BOIGLAR

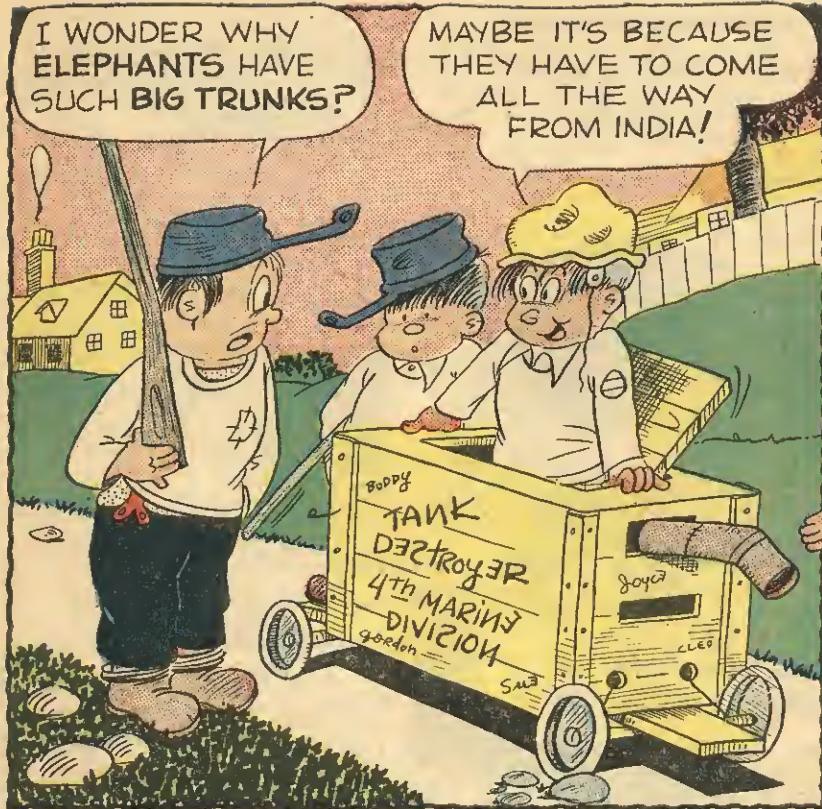

BY ART HELFANT

I WONDER WHY  
ELEPHANTS HAVE  
SUCH BIG TRUNKS?

MAYBE IT'S BECAUSE  
THEY HAVE TO COME  
ALL THE WAY  
FROM INDIA!

HOW COME THAT  
HIS NECK IS SO  
LONG, HUH?

MAYBE IT'S BECAUSE  
HIS HEAD IS SO  
FAR FROM HIS  
BODY !!!

# THE CADET

Featuring **KIT CARTER**

**U**NAWARE OF DANGERS AWAITING THEM IN THE LAND OF FIERCE HEAD-HUNTER INDIANS, KIT AND DAN ACCOMPANY COLONEL TILGHMAN ON A MILITARY MISSION TO PANAMA.

THAT'S IT, KIT!  
THE LIFELINE OF  
AMERICA!

LOOK, DAN!  
THERE'S THE  
CANAL!

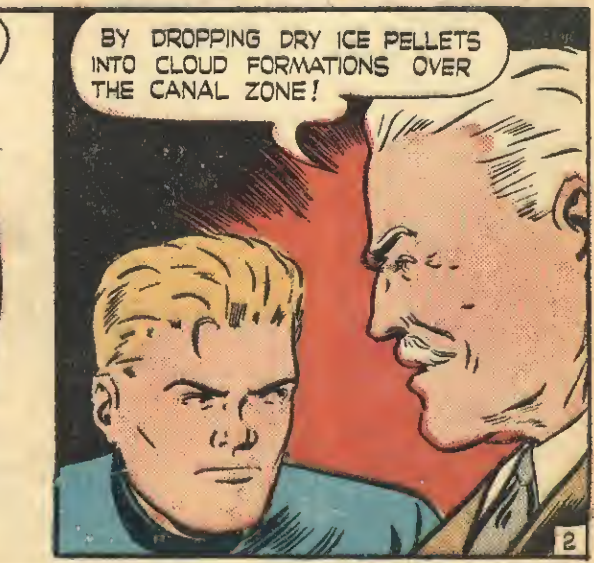

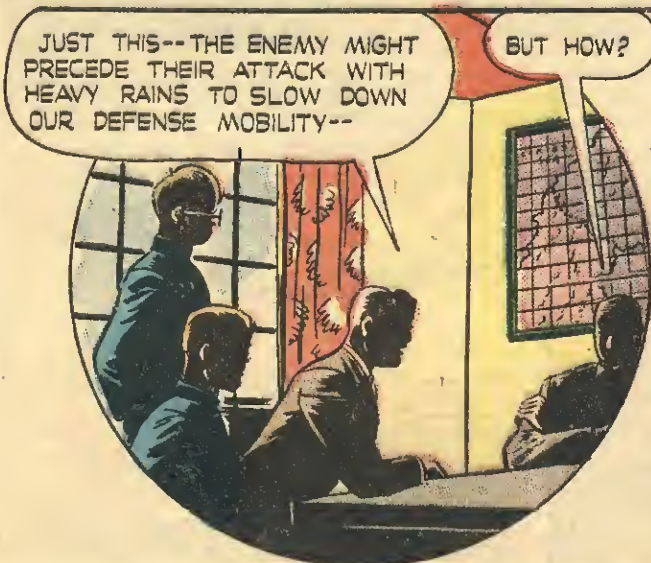

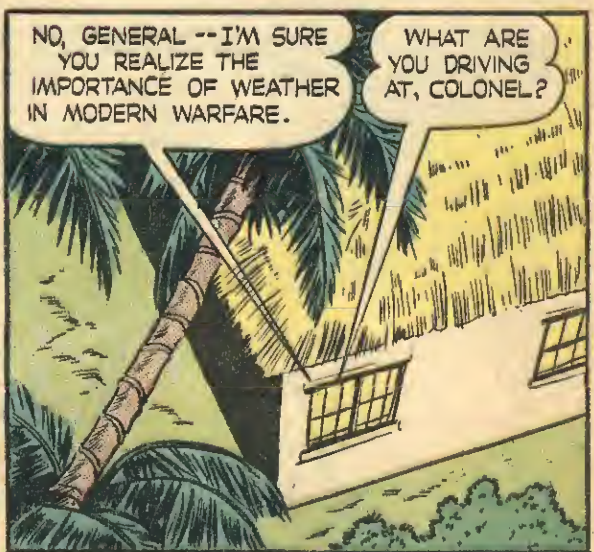

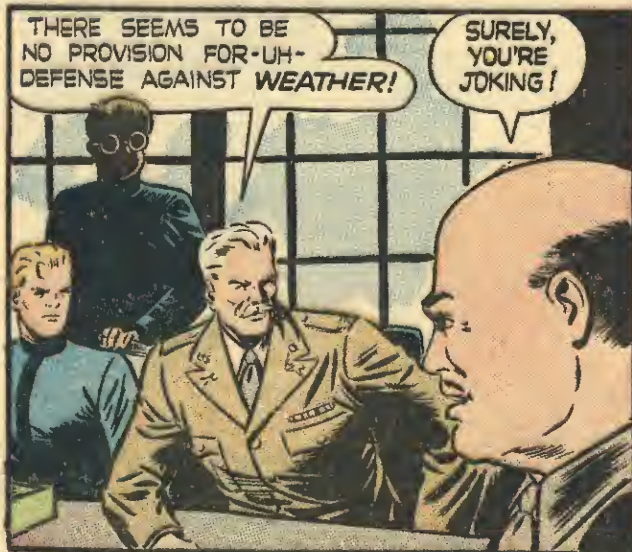

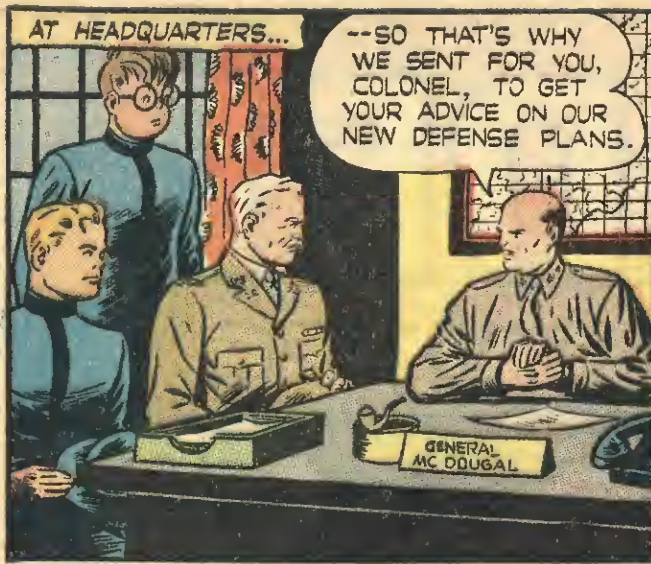

Nina  
Aibright

THAT 50-MILE RIBBON OF  
WATER COST THE LIVES OF  
MANY BRAVE MEN  
AND WOMEN!

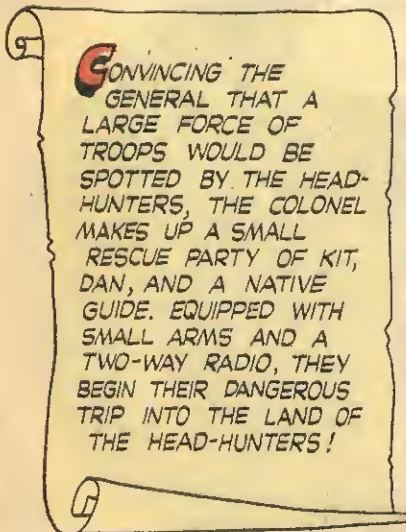

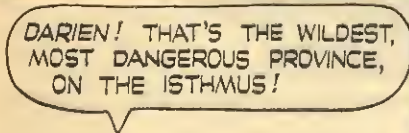

ALL THE MORE REASON  
FOR US TO DEFEND IT  
AGAINST ATTACK!

YOU'RE  
RIGHT,  
COLONEL  
TILGHMAN!

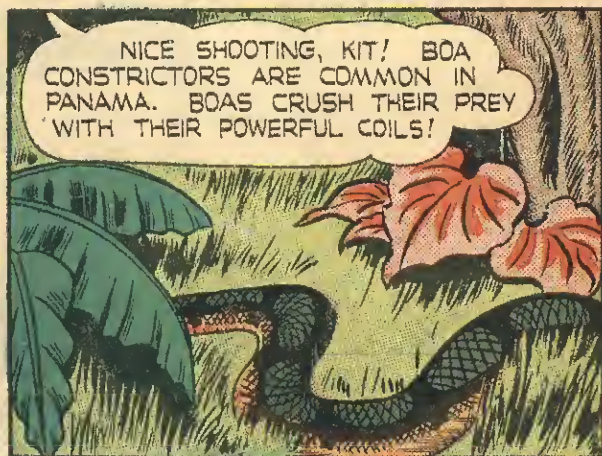

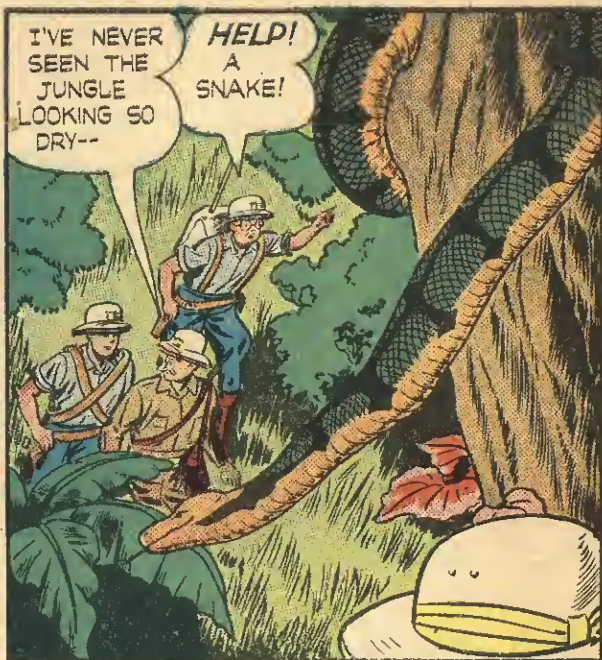

DESERTED BY THEIR GUIDE, THE AMERICANS PRESS ON, CAUTIOUSLY THROUGH THE TREACHEROUS JUNGLE. SUDDENLY...

HEAD-HUNTERS!

WHITE MAN MAKE BAD MEDICINE -- MUST DIE!

RINGED BY A CIRCLE OF SILENT SAVAGES, THE WHITE MEN REALIZE THE ODDS AGAINST THEM ARE TOO GREAT.

THEY OUTNUMBER US 20-TO-1! WE CAN'T OUTFIGHT THEM -- BUT WE **MIGHT** OUTSMART THEM.

I DON'T FEEL VERY SMART TODAY.

WHERE ARE THEY TAKING US, COLONEL?

JUDGING BY THE SHADOWS, WE'RE HEADING SOUTH -- PROBABLY TO THE MAIN VILLAGE.

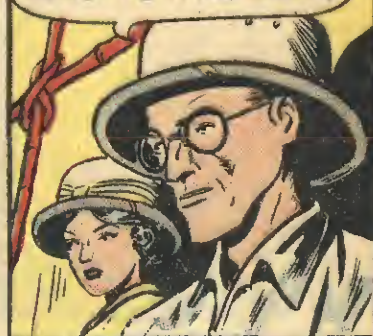

THE SAVAGES TAKE THEM TO THE HUT WHERE THE AMERICAN NATURALIST AND HIS WIFE ARE HELD PRISONER...

I'M SORRY WE GOT YOU INTO THIS STEW!  
WE'RE NOT IN A STEW YET, WILLIAMS!

WE SOON WILL BE. THE INDIANS BLAME US FOR THE DROUGHT THAT IS DESTROYING THEIR CROPS. THEY WILL PROBABLY SACRIFICE US TO THEIR RAIN GOD AT TONIGHT'S FULL MOON.

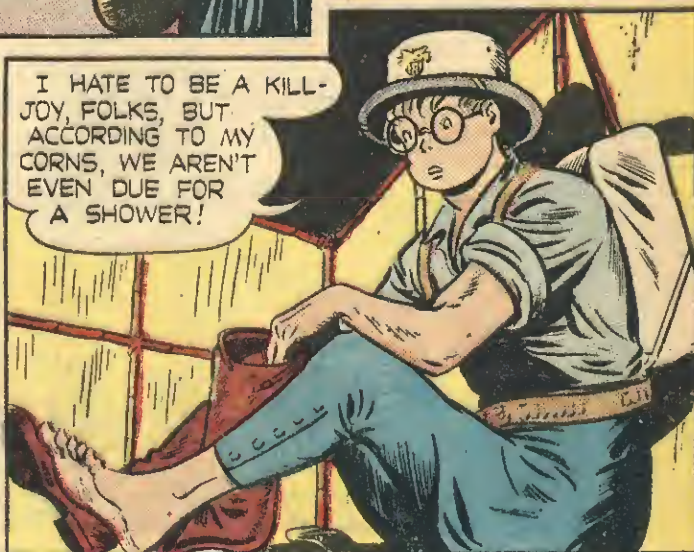

THE JUNGLE IS VERY DRY--THEY MUST BE DESPERATE FOR RAIN.

COME!

I HATE TO BE A KILL-JOY, FOLKS, BUT ACCORDING TO MY CORNS, WE AREN'T EVEN DUE FOR A SHOWER!

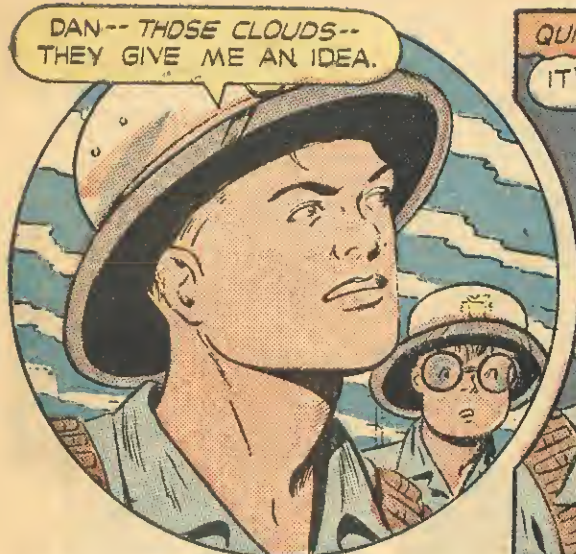

GREAT MACKEREL, DAN--DO YOU SEE WHAT I SEE?

THIS IS NO TIME TO BE ADMIRING A MACKEREL SKY, MY FRIEND.

DAN-- THOSE CLOUDS--  
THEY GIVE ME AN IDEA.

QUICKLY, KIT EXPLAINS HIS IDEA.

IT'S A LONG SHOT--

BUT IT'S  
WORTH TRYING IF WE  
CAN CONVINCE  
CHIEF SOURPUSS!

**K**IT'S PLAN IS A DESPERATE ONE! HE PROMISES  
TO MAKE RAIN IF THE CHIEF WILL ALLOW HIM TO  
TALK TO THE WHITE MAN'S RAIN GOD.

MUST MAKE RAIN BEFORE  
MOON CLIMB TO TOP OF SKY--  
OR ALL WHITE MAN DIE.

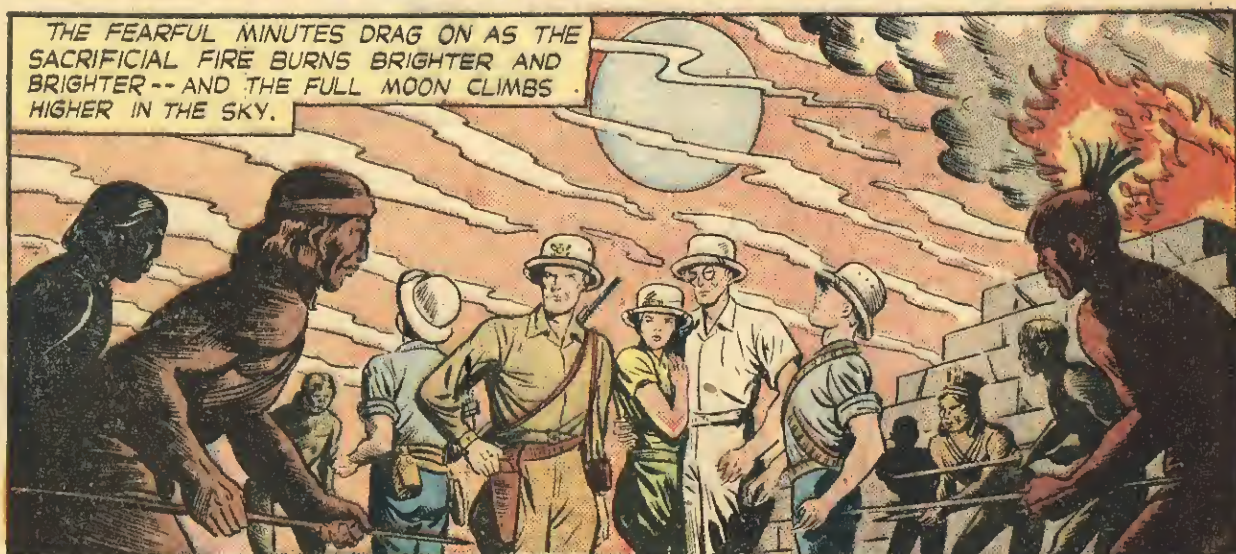

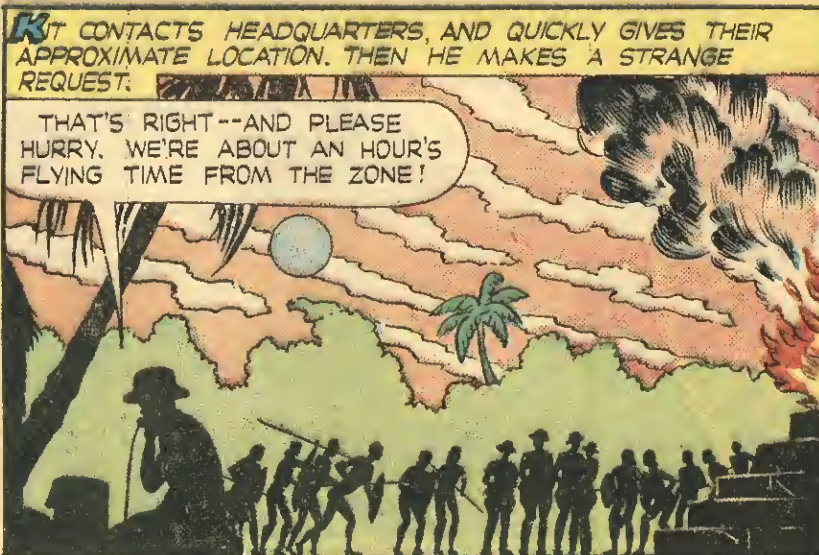

WELL, YOU CONVINCED HIM--  
BUT A COUPLE OF HOURS  
ISN'T MUCH TIME TO  
MAKE GOOD A RASH  
**PROMISE**  
LIKE THAT!

KIT CARTER CALLING  
CANAL ZONE--  
KIT CARTER CALLING  
CANAL ZONE--  
COME IN--COME IN!

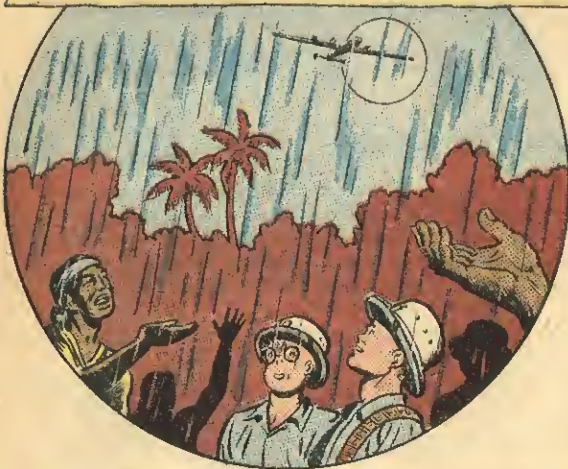

Q16 What does a mackerel sky denote? Kit knew! Do you?

The DRONE OF A FOUR-MOTOR PLANE IS HEARD--AND A STEADY RAIN SUDDENLY BEGINS TO FALL UPON THE THIRSTY JUNGLE.

WHITE MAN MAKE POWERFUL MEDICINE! WHITE MAN GO FREE!

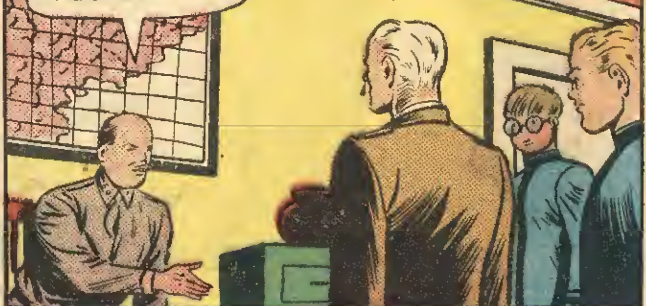

OH, KIT-- YOU'VE SAVED US -- YOU'VE SAVED US ALL!

AWED BY KIT'S APPARENTLY SUPERNATURAL POWERS, THE SAVAGES GIVE THE WHITE MEN SAFE CONDUCT TO THE CANAL ZONE. AT HEAD-QUARTERS.

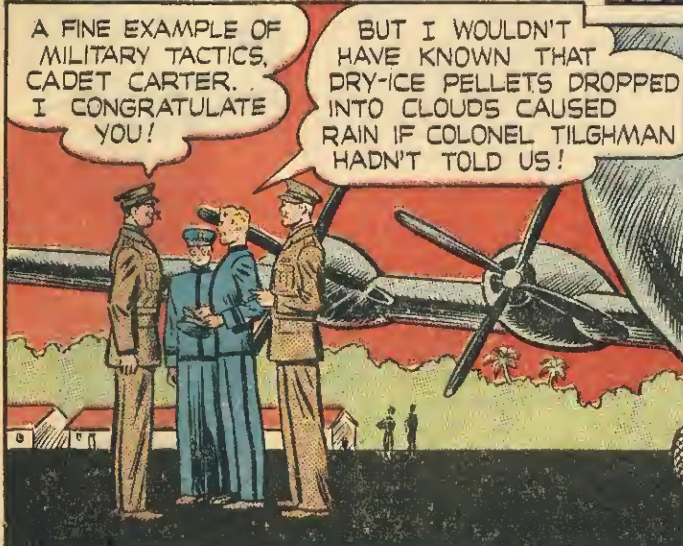

GLAD TO SEE YOU PEOPLE, COLONEL. WE WERE MIGHTY WORRIED WHEN MARIO RETURNED ALONE.

YES, THE THOUGHT OF LOSING HIS HEAD WAS TOO MUCH FOR MARIO.

A FINE EXAMPLE OF MILITARY TACTICS, CADET CARTER. I CONGRATULATE YOU!

BUT I WOULDN'T HAVE KNOWN THAT DRY-ICE PELLETS DROPPED INTO CLOUDS CAUSED RAIN IF COLONEL TILGHMAN HADN'T TOLD US!

WHICH PROVES THE OLD HEAD-HUNTER SAYING THAT TWO HEADS ARE BETTER THAN ONE! THANKS, KIT, FOR SAVING MINE!
